Kid Street Learning Center Charter School

Attendance Policy

Attendance and Tardiness:

Kid Street Learning Center Charter School strictly enforces attendance and tardy policies as part of our educational philosophy. Pupils are excused if absent because of illness. Absences are considered **unexcused** if it is not related to illness, medical appointment, or religious holiday. Children should not be sent to school when they are not feeling well. They will be given ample time to make up work that is missed. Frequent tardiness without a valid excuse is considered truancy under the law. Valid excuses for tardiness include doctors' or dentist appointments, or pre-arranged appointment.

If your child is ill, please call into the Office Manager at 707-525-9223 or e-mail angeld@kstreet.org prior to 9:00 a.m. each and every day to report an absence for your child. **Absences must be cleared within 24 hours.**

In the event of an absence, make-up work may be requested if called in before 9:00 a.m. Teachers will set aside make-up work that will be available to parents to pick up at the end of the school day.

If you know that your child will miss school for three days or longer (for whatever reason), be sure to request an Independent Study Contract from the Teacher at least a week in advance of your departure.

Students who are late for school interrupt the classroom and miss valuable instruction and work. Therefore, PUNCTUALITY IS ESSENTIAL. Please allow extra time getting your child(ren) to school in the morning. School starts at 8:30am. Students who are not at school on time, will be marked TARDY.

Doctor and dental appointments:

It is requested that dental and doctor appointments be made outside of school hours. Children will miss instruction that is impossible to make up outside of school hours. If this cannot be avoided, we ask that a note to the teacher OR the office (giving the reason and time) be sent with the child. **Parents need to come to the office to pick up their child.**

Special Note: During the last 30 minutes of the school day, students are busy getting ready to be dismissed, reviewing homework assignments, and bringing closure to the school day. Therefore, if possible, we ask that you avoid picking up your student(s) during this time.

Illness or Accidents

District policy mandates that any child with a temperature of 99.6 or above be sent home immediately. Likewise, do not send your child to school if he/she has a temperature of 99.6 or above. If a child becomes ill at school, he/she is taken to the office. If they are too ill to return to class, the parent is notified. Parents will be expected to pick up their child promptly. No child is ever sent home alone when he/she is ill. Please instruct your child that if he/she is sick or hurt, to be sure to tell a teacher or any adult staff.

In case of emergency, 9-1-1 is called. It is very important that we have phone numbers where parents can be reached in case of such emergency. We must also have the name and phone number of some person(s) we may contact if you cannot be reached. Please be sure your child has all contact information updated in the office with the above information. Keeping your child(ren)'s Emergency Contact(s) (Student Information System/Aeries Parent Portal) updated is the single most important thing you can do. If any of your Emergency information changes during the school year, please notify the school office immediately. This will help us guarantee the health and safety of your child.

When medication must be taken at school, medication must have a child's name and dosage. Any medication sent to school will be held in the office until forms are properly completed. Medication must come to school in the original pharmacy container and must be marked with the student's name.

The Attendance Laws Have Changed in California

In California, public schools and public charter schools are funded by the state based on daily student attendance. Schools are only paid if the student is present or is on a valid Independent Study Contract (used only for pre-arranged absences three days and longer). Attendance is more critical than ever. If you plan to vacation during school time, please reconsider this decision. If an absence or vacation is unavoidable, make an arrangement with the school office at least one week prior to an absence to complete an Independent Study Contract. This will allow your student to keep up with the class work that will be missed during the absence, and allow the school to collect for your child's attendance.

While we do not want children who are sick to come to school, we are encouraging your help in eliminating unnecessary absences. The message to give your child is that school attendance is not only important to their success, but to the success of the school as well.

Excessive Absences and Tardiness: Possible Referral to the School Attendance Review Board

Any pupil who is absent from school without a valid excuse for three days in one school year is considered truant. Also, any pupil tardy or absent for more than 30 minutes during the school day without a valid excuse on three occasions in one school year is considered truant.

In the state of California, school attendance is mandatory for children between the ages of 6 and 18. It is the responsibility of the parent or guardian to ensure a child's regular school attendance. If you or your child fail to comply with the requirements of California Law, it may result in court action being taken against you and your child.

We are certain you are aware that poor school attendance has a serious, negative effect on the educational progress of a student. We trust you will take the necessary steps to ensure your child's attendance at school.

Excused absences -- for whatever excused, medical, or other reasons -- are considered excessive when they reach

ten (10) days for an entire school year. That's an average of one school day missed per school month. Any employer would be concerned when employee absences exceeded an average of one per month. The same holds true for our school.

With excessive absences or tardiness, it is the school's duty to initiate further action. This could include referral to the SRCS District office, the School Attendance Review Board, Child Protective Services, Human Services Department /SonomaWORKS Attendance Verification Program, Sonoma County Sheriff, Santa Rosa Police Department, the Probation Department, or to the District Attorney's Office.

- **Just Showing Up is Critical for Your Child's Learning**

It may seem obvious that children with better school attendance records also have better grades, but the link is proving even stronger than educators have thought. Research in Minnesota and New York has found that even small improvements in attendance yield large test-score gains. Students who scored in the 85-to-100 percentile on state exams attended school 93% of the time, whereas students in the 65-to-84 percentile attended only 91% of the time.

Exam Scores Rate of School Attendance

0-54%-ile 85% attendance rate (present 153 of 180 days)

55-64%-ile 89% attendance rate (present 160 of 180 days)

65-84%-ile 91% attendance rate (present 164 of 180 days)

85-100%-ile 93% attendance rate (present 167 of 180 days)

When your child misses a day of school, he/she also misses out on all of that day's learning. Our goal for all students at Kid Street Charter School is to attend 100% of the time. As a guideline, students who miss more than ten days of school a year are considered to be excessively absent (an average of one day per school month). Ten days absent equals a 94.4% attendance rate.

Obviously, we do not want you to send your child to school when they are truly sick. And, in some cases, there are true medical reasons or an abnormally high number of legitimate minor illnesses or other factors that may have contributed to your child's attendance. If you fall into this category, please know that we sympathize with you and ask that you bear with this information.

Illness and When to Keep Your Child at Home

Students should come to school well enough to participate in the full instructional program. Children with the following symptoms should remain at home until they have recovered:

1. Fever of 99.6 or higher and children must be free of fever for 24 hours before returning to school. Students also need to be non-medicine induced during the 24 hours before coming to school. .
2. Vomiting, diarrhea, or severe abdominal pain and children must be free of these symptoms for 24 hours before returning to school.
3. A cold, sore throat, or persistent cough.

4. Nasal congestion or runny nose, not associated with allergies -- please remember green or yellow nasal discharge is not normal and usually indicates infection.
5. Any open sores or open wounds.
6. Any undiagnosed rash.
7. Red or swollen eyes.
8. Earache.
9. Swollen glands around the jaws, ears, or neck.
10. Any other symptoms suggestive of acute illness.
11. A positive COVID-19 Test (PCR or Rapid) result.

Other Attendance and Tardy Reminders

1. Leave home with plenty of time for your child(ren) to be at school on time, ready to learn.
2. The school day starts at 8:30 a.m.
3. Pulling your child out of school early for doctor or dentist appointments or any other reason(s) should be kept to a minimum.
4. Vacations and getaways should be planned for days other than school days.

The bottom line: Truant, unverified, unexcused, excessive excused absences, and tardies affect your child's education and increase the chances for failure. Tardies interrupt the classroom and interfere with the learning environment for all students. Our goal is to educate your child. We cannot be successful if your child is not in school or on time. Please help us to ensure that your child receives a quality education by getting your child to school healthy and here on time.

Head Lice

When lice are found, the student shall be sent home as soon as possible with proper parental notification. School staff shall examine the student and any siblings of the affected student or members of the same household. If suspected, school staff will examine the students in the same classroom. If lice are found, the student shall be excluded and parents/guardians informed about recommended treatment procedures, ways to check the hair, and sources of further information. Excluded students may return to school when they provide proof verifying treatment. Adequate proof may be a doctor's note, written assurance by the parent, a certificate from a lice treatment center or an empty package of approved pediculicide. In order for a treated student to continue to attend school, a second treatment must be done seven to ten calendar days after the initial treatment. Proof of the second treatment shall be provided to the office. Staff shall make every effort to maintain the privacy of students identified as having head lice and excluded for treatment. If there is more than one student affected in any one classroom, all students in the class shall be examined and information about head lice shall be sent home to all parents/guardians of students in the class.

As a reminder, Lice live and thrive on clean hair. So if you are notified that your child has Lice, note that we teach students that clean hair is a breeding ground for these bugs to live on. As traumatic as going through the cleaning process is, please be prepared! It is not a question of "if your student will get Lice?", it is "when will my student get Lice?".

Besides treating the head, you also need to treat the home. Treating your home includes bedding, toys, and even the car. Drying items in a hot dryer for 20+ minutes will kill bugs and eggs, or bagging items in trash bags for 2 weeks will also do the same thing. Vacuuming your car, carpets and furniture will also help. Don't forget to empty your vacuum canister right away to keep the bugs from getting out and re-infecting your home.

Kid Street recommends using "Clearlice" products. These products have been found to be far more superior to over the counter treatments, and are chemical free. But since these items are not found at the store, we recommend having them on hand. You can buy their products via Amazon or through clearlice.com, they carry sprays, laundry additives, as well as the various items for head treatment.

Prevention is the best medicine. We recommend not washing children's hair daily, and even adding tea tree oils to the shampoo/conditioners or directly to the head. Use items like hair spray or hair mousse daily to keep a "dirty head". For children with long hair, we ask that you please have it pulled up and tied back.

Kid Street Learning Center Charter School Student Dress Code

The primary goal of Kid Street Charter School is to provide a safe learning environment where all students are able to achieve at their highest potential. The personal appearance of every student is an important component of establishing a safe environment for optimal learning and respect for one another. Students are expected to adhere to standards of dress and appearance that are compatible with an effective learning environment.

Students are prohibited from wearing clothing, jewelry, book bags, or other articles of personal appearance which:

- depict profanity, vulgarity, obscenity, or violence;
- promote use or abuse of tobacco, drugs, or alcohol;
- may create a threat to the health or safety of the student or others;
- are associated with intimidation, violence or violent groups and about which students have been notified, or
- may create a significant risk of disruption to the educational process or to the operation of the school

The following specific items are also not permitted:

- bare feet, bedroom slippers(except on PJ Day), flip-flops(Water Days are okay), open toe shoes, shoes with heels or wedges above 1 inch high;
- bracelets, dangling earrings, long necklaces.
- trousers, slacks, shorts worn below waist level;
- clothing that is excessively baggy or tight;

If a student's dress or appearance violates this dress code, the staff may require the student to change his or her dress or appearance, and may be sent home to do so. A second or repeated violation of this policy will result in disciplinary action. This policy shall apply to all students in all school buildings during the regular school day, on field trips, and when students represent the school.

TK, Kindergarten and 1st Grade Students: We ask that you place a plastic bag/zip-lock with your students name with a clean set of clothing in your child's locker. In the case of an accident, we would like to have a clean set on hand to ensure a quick change, so they can continue on with their day.

Kid Street Charter School Disciplinary Policy

In Kid Street Charter School, safety is always our first priority. One of the ways we ensure the safety of children is by maintaining strict standards of behavior. Rules and regulations are established to maintain an atmosphere conducive to learning. Students who fail to comply with these rules and regulations will be counseled, reprimanded, suspended, or expelled, and/or arrested as the laws are applied. Participants or spectators carry responsibilities as representatives of the schools/communities. All rules of student conduct apply to extracurricular activities as well.

Conduct Policy:

The Board of Education believes that all students have the right to be educated in a positive learning environment free from disruptions. Students shall be expected to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds, while going to or coming from school, while at school activities, and while on district transportation. Conduct is considered appropriate when students are diligent in study, careful with school property, courteous, and respectful toward their teachers, other staff, students, and volunteers. Prohibited student conduct that is related to school attendance or school activities includes, but is not limited to:

1. Conduct that endangers students, staff or others.
2. Conduct that disrupts the orderly classroom or school environment.
3. Harassment of students or staff, including bullying, intimidation, so-called “cyber-bullying,” hazing or initiation activity, ridicule, extortion, or any other verbal, written, or physical conduct that causes or threatens to cause bodily harm or emotional suffering.
4. Damage to or theft of property belonging to students, staff or the district.
5. Possession or use of laser pointers on school premises, unless used for a valid instructional or other school related purpose, including employment.
6. Use of profane, vulgar, or abusive language.
7. Plagiarism, forgery or dishonesty in school work, tests or school documents.
8. Inappropriate attire as defined by published school site dress codes.
9. Tardiness or unexcused absence from school.
10. Failure to remain on school premises in accordance with school rules.

Disciplinary Action:

Depending on the severity of the behaviors listed above, any of the following consequences may be taken.

1. Verbal warning by teacher or staff
2. “3 for Me” in the office. This is a 3-minute break in which the student thinks about his/her behavior and comes back to start over fresh.
3. Think Sheet which includes a time-out period that occurs during the student’s recess or class time. The Think Sheet may be sent home to be signed by the guardian and if not returned the student continues to miss recesses.

4. Parent meeting with teacher, staff, ASP director, or principal as needed, which may include implementation of behavior contracts, counseling, or other interventions as seen fit.
5. Loss of privileges, which may include school, related field trips, after school program, and other school related events.
6. If the above consequences are not effective and the behavior(s) continue, the students may be suspended by the teacher for the rest of the day and the following day or the principal for up to 5 consecutive school days. See Education Code sections below for reference.
7. Acts that result in suspension, if deemed serious enough, can also cause an optional or mandatory recommendation of expulsion. See below for procedure.

Discipline not including suspension is defined in Education Code [48925\(d\)](#). Grounds for suspension and expulsion, and legally required school discipline procedures are located in their entirety in Education Code sections [48900 - 48927](#).

Suspension by Teacher ([EC 48910](#)): If other means of correction do not succeed, a teacher may suspend a student from the class for the day of the suspension and the day following for any act stated in EC [48900-48900.7](#). In elementary schools, 'day' means calendar day; in secondary school, it means class period. (A student may not be suspended for being late or absent.) There are alternatives to traditional suspension, such as community service on or off school grounds, or assignment to a supervised suspension classroom.

Suspension by Principal ([EC 48911](#)): The school principal may suspend a student for up to 5 consecutive school days (and not more than 20 school days in a school year). Suspension can be at the first offense, without prior attempts at intervention, if a student's actions cause a danger to persons or property or threaten to disrupt the instructional process. There is no appeal of a suspension, although the school board may meet to consider whether it should go forward prior to its issuance.

Expulsion ([EC 48915-48926](#)): The principal or the superintendent makes the original recommendation. The school board makes the final decision. This can be a complex process; there are many precise due process safeguards built in to ensure fair treatment and that the student, parents and their representative(s) have maximum opportunity to be heard.

Kid Street After School Program Early Release Policy

Students are enrolled in the After School Program once the Regulations and Permission form is signed by the parent/guardian. All Kid Street students in grades TK-6th are welcomed to enroll.

The program begins upon dismissal from the regular school day. The participating students are expected to stay until 6:00 PM each school day.

A child may be released from the program prior to the end based on the following reasons. Kid Street Charter School

Charter School and After School Program for T/K–6th Grades

"Teach to the heart, and the mind will follow!"

After School Program Contract and Consent

Welcome to our **Kid Street After School Program!** The After School Program (ASP) provides a safe, fun and nurturing environment for the care of our students from immediately after school dismissal until 6:00 PM every school day. ASP is a Kid Street Learning Center run program. Participation should be considered a **privilege**. In addition to our After School Program, we provide Kinder Klub for our Transitional Kindergarten and Kindergarten from 1:00pm – 3:00pm on all non-minimum days. This is a structured, safe and fun time designed to prepare the Kindergartener for success. The same rules apply to Kinder Klub as to ASP.

By consenting to this form, I understand that I am registering my student in the After School Program.

1. Every student attending the After School Program (ASP) must have a current ASP Registration Form on file at our school (This form). I understand that it is my responsibility to inform the school of any changes to the information, particularly phone numbers and emergency contacts, which are found on Kid Street Learning Center Charter School Enrollment Forms.

SIGNING OUT

2. I am enrolling my student in the **FREE** After School Program. I agree to sign my student(s) out daily. This includes, time of pick up, initials of the person picking up the child(ren) and the pickup code (codes are in student/parent handbook and posted at the sign out book). If I do not sign out my student(s) more than 3 times, I understand that my student(s) may be suspended from this program for an indefinite amount of time, and a meeting will be set up between the ASP Director and parent prior to re-enrolling student(s) into ASP. For the protection of your student, only people designated on the School's Aeries/Emergency Cards will be allowed to pick up your student unless pre-arrangements have been made. **IDENTIFICATION WILL BE REQUIRED ON ALL PICK-UPS.**

OPERATING HOURS AND EARLY RELEASE

3. The hours of the program are from the time school ends until 6:00 PM on the days that school is in regular session. It is crucial that your child stay in the program until it ends at 6:00 PM. There are certain conditions that may occur that require that your child be picked up at an earlier time. *You are required to use the early release codes on the sign out table and in your parent handbook if this occurs.* The parent/guardian agrees to pay a \$1 a minute, per child, late pick-up fee starting at 6:01 PM. If you have outstanding late fees, your student(s) cannot participate until fees are paid in full. If you are late 3 times, this may result in a termination of the program for the remainder of the academic year.

BEHAVIOR EXPECTATIONS

4. Behavior Expectations: Following directions from any adult in charge, show respect for other students and adults in language and actions, respect of school and after school property, being in supervised areas. All Kid Street Charter School policies in the student handbook apply to ASP. Serious misconduct/Inappropriate behavior may result in your student's suspension or withdrawal from the program. ASP rules and suspension from our program are **NON-NEGOTIABLE**. Students who are suspended more than three (3) times will result in termination of our after school program for the remainder of the academic school year. Misconduct/inappropriate behavior includes stealing, intentional damages of property, physical assault on any student, excessive profanity/obscene language and open defiance of any adult in charge. 1st offense is a 3 day suspension. 2nd offense is a 1 week suspension. 3rd offense is a 2 week suspension. Prior to returning after the 3rd suspension, a meeting must be held with the parent/guardian, student and the After School Program Director to discuss behavior expectations. Physical assault on any adult in charge is immediate dismissal from the program for the remainder of the year.

EMERGENCY & DISMISSAL PROCEDURES

5. To ensure the safety and security of all students in ASP, if an emergency occurs that threatens the welfare of a student, a school official will contact the Santa Rosa Police Department. Late pick-up from ASP may be considered such an emergency.

6. If school closes for inclement weather or any other reason, ASP will close also. In this case, special instructions will be given to your student's teacher and you will be contacted.

7. In the event of an emergency, the ASP has the permission of the parent/guardian to administer first aid or obtain emergency medical treatment, if necessary, for the child's welfare.

Kid Street Locker Policy

Food and Drinks: Food and drinks need to be secured in leakproof containers at all times. Food must be removed at the end of the day.

Safety: No student shall attempt to fit inside a locker or assist any other student into a locker.

Vandalism: No student may write on or deface a locker by scratching or otherwise. Students and their guardians may be responsible for replacing lockers that are damaged.

Searches: School searches are only justified according to the Supreme Court "when there are reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating either the law or the rules of school."

California's own state Supreme Court has expanded upon the ruling by stating that "reasonable grounds" must be supported by "articulable facts." Random searches and searches based on hunches or rumors are not justified.

The US Supreme Court has also stated that the manner in which the search is conducted must be "reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction."

In light of these rights, the Kid Street Board and administration want to guarantee a safe and secure environment free of smoking paraphernalia, drugs, or weapons. It is our responsibility to make sure that your child and their schoolmates are safe from exposure to these conditions. In the light of a search of lockers and their contents, administration will notify the guardian.

Cell Phone/Smart Device Policy

Technology is a big part of all our lives and we understand that this means many of our students have cell phones, smart watches or tablet devices. In some cases, they can be valuable tools. However, throughout the school day, they are unnecessary.

With cyberbullying, access to explicit content, and lack of filters, we are trying to ensure the safety of all our students and school population. Additionally, there have been instances of stealing, cheating, and destruction of property. We know the importance of being able to reach your children in the event of an emergency, and we assure you that our school office (707-525-9223) will get any necessary messages to your students. We ask that you take the time to review this policy with your child.

The following is our school cell phone and smart device policy:

- 1) Students may bring phones and smart watches to school, but they must be turned in and turned off at the start of the school day to their teacher. The teacher will give devices to the After School Program(ASP) after class hours.
- 2) Students will be given their devices upon pick up from ASP. ASP staff will be responsible for returning or keeping their phone until they are signed out.
- 3) Students caught with their devices during the school day or ASP will have their device brought to the Principal's office and parents/guardians may pick it up at that time.
- 4) Repeated attempts to bring and use devices inappropriately at school could warrant keeping the device for an extended time or requirement to not have a device at school at all.
- 5) There will be instances when devices may be used for projects or field trips, but the use of devices will be monitored and limited. They will also have to be returned at the conclusion of the project or trip.

Kid Street Food Guidelines

In an ongoing effort to keep our kids healthy, the State of California has mandated specific “rules” regarding at school nutritional requirements for students. Meals must be balanced and follow specific calorie, fat, protein and vitamin content. Kid Street encourages students to partake in our lunch program. If your child requires special foods, dietary restrictions or has allergies, just let us know, and we will develop a plan for your child with your support.

Classroom Treats (such as for birthdays) We understand that you want to make your child feel special on their birthday, and one way to do that is to send a special treat in for the class. Please try to send healthy treats that all parents would approve of such mixed fruit, fruits and cheese kabobs, or vegetable treats.

Another idea is to send a goodie bags that kids can take home that do not contain food items.

In an effort to further support well-balanced and healthy nutrition, Kid Street has adopted a nutritional policy that does not allow certain types of food and beverage to be brought to school. Please help us in following this policy by not allowing your child to bring these foods and/or drinks with them to school.

Foods that we discourage

Oversized bags of Chips (beyond one serving)

Candy of any kind

Cookies or desserts of any kind

Fruit snacks of any kind

Fast Food (*except:* Subway, Pizza, or Chinese)

Doughnuts or other pastry

Fried foods

Beverages that we discourage

Gatorade or any other sports beverage

Soda of any type

Sunny Delight

Sweetened or caffeinated iced tea

Fruit drinks of any type that are not 100% juice (Capri Sun, Kool Aid)

This said, we do provide occasional sweet treats to students for celebrations or other special occasions. ***Please let us know if you would rather your child not receive these treats.***

Acceptable Use Policy Agreement for Students

PLEASE READ THIS DOCUMENT CAREFULLY BEFORE AGREEING TO IT ON THE PARENT PORTAL. NO STUDENT WILL BE GIVEN INTERNET ACCESS UNLESS THE PARENT/ GUARDIAN AGREES TO THIS POLICY THAT ANNOUNCES THE POSSIBLE RISKS OF USING THE INTERNET. KID STREET PROVIDES INTERNET FILTERS AND TAKES EVERY REASONABLE PRECAUTION TO ENSURE THAT INTERNET USE IS SAFE. HOWEVER, STUDENTS MAY ATTEMPT TO BYPASS THE SCHOOL FILTERS OR USE THEIR HOME COMPUTER TO EXPOSE YOUR STUDENT TO THE FOLLOWING RISKS:

- Sharing offensive websites with other students
- Sending and receiving inappropriate e-mail, blogs and other prohibited messages
- Sharing offensive material created at home
- Sending or receiving libelous electronic messages
- Engaging in the violation of criminal and civil laws
- Illegally uploading or downloading copyrighted material
- Using your child's picture in a false light
- Violating your child's privacy regarding health and other personal issues

Kid Street provides Internet access to students for educational purposes only. The use of the Internet is necessary for many school research projects. Misuse of the Internet violates school board policy and subjects your child to suspensions and other school disciplinary consequences. Additionally, your child may incur civil and criminal penalties under California and Federal law for misuse of the Internet. Some of the misuses are as follows:

- Using proxy sites to avoid the district filter
- Sending and distributing offensive material on district computers or school grounds
- Sending cyber-threats of death, bodily harm, damage to property to students or staff (i.e., cyberbullying)
- Creating offensive materials on home computers and distributing them on school grounds
- Using their own portable devices to distribute offensive material on school grounds
- Attempting to gain access to or using program administrative passwords or school staff passwords
- Logging into other students accounts for any purpose without permission

General guidelines include but are not limited to the following:

1. The student should have no expectation of privacy at any time while using district resources, nor at home when it pertains to school business (such as when accessing Jupiter Grades or when writing about other students or district employees).
2. The district is authorized to monitor e-mail logs and Internet histories of students and does so.
3. Students should use the Internet/network for appropriate educational purposes and research.
4. Students should use the Internet/network only with the permission of designated school staff.
5. Students should be considerate of other users on the network. Cyber bullying is unlawful behavior.
6. Students must use appropriate language for school situations and must not use vulgar or profane language or images, including those with implied vulgarity and/or profanity.
7. Students should immediately report any security problems or breaches of these responsibilities to the supervising teacher.
8. Students must adhere to copyright laws and plagiarism rules when using the Internet.
9. Students must not share user IDs and passwords required to access e-mail and other programs.

Upon agreeing to this document you affirm that it is not reasonable that the Kid Street School can directly supervise your child every minute your student is on the computer. Therefore, you agree that when your child is not directly supervised, they will obey all school computer use policies, civil and criminal laws. In the event your child notifies you they are receiving computer messages threatening death, bodily harm, or destruction to property, you agree to report this event immediately to both law enforcement and the school.

As parent/guardian of this student, I understand the risks associated with allowing my child to use the Internet. Furthermore, in agreeing to this policy, I affirm that through this document the school district made a reasonable attempt to educate me on the known potential risks of using the Internet and the school’s rules and goals of Internet use. Based on this adequate notice, I agree not to hold Kid Street responsible for materials acquired or contacts made on the network.

Based on reading this Acceptable Use Policy, I have determined that the benefits of my child having access to the Internet outweigh the risks. I also agree that I will properly supervise my child’s computer activity at home and will advise Kid Street immediately if I discover that my child is violating this use agreement at home or at school. Additionally, I agree to notify the school immediately if I discover my child or my child’s fellow students are committing civil and criminal violations of the law. Failure to report this behavior is

negligent supervision and relieves the school of any liability that flows from this behavior if the school could not have reasonably foreseen this type of behavior on your child's home computer.

I understand that any conduct by my child named on the following page that is in conflict with these responsibilities is inappropriate and that such behavior may result in the termination of access and possible disciplinary action. I agree to compensate Kid Street for any expenses or costs it incurs as a result of my child's violation of the Internet policy or administrative procedure.
