

Dalmatian Vacation Lyrics

ALL

We'll take a Dalmatian vacation
To a rambling new home with a view.

ROGER

The peace and the quiet will identify it
As our little dream that's come true

ANITA & NANNY

Imagine that rustic location
The station seems truly sublime

ROGER

And on my vacation, I'll feel inspiration
With no obligation to time.

ANITA

We'll snuggle close in the evening to the glow of burning logs

ANITA & ROGER

And all night long we'll hear the sound of crickets and frogs

ALL

And dogs! And dogs! And dogs! And dogs! And dogs! And dogs!

We'll take a Dalmatian vacation.
Where our population can roam.
In this new location, our whole aggregation
Will love our Dalmatian home.
Vacation, Dalmatian home!

(slower)

And so...
We'll take a Dalmatian vacation.
Where our population can roam.
In this new location, our whole aggregation
Will love our Dalmatian home.
Vacation, Dalmatian home!

(conga style)

Now we'll end with lots of love and laughter.
Everyone lives happily ever after.
Take a bow and shout it to the rafters.

We hope you had fun
But now we are done.

101 Dalmatians!
Dalmatians!
Dalmatians!

Woof!
