Charter School and After School Program for T/K-6th Grades

"Teach to the heart, and the mind will follow!"

Hello Friends and Families,

We are excited to announce that Kid Street will be open for an extra 30 non-instructional days! These childcare days will be offered during: Thanksgiving, Winter and Spring break as well as the first month of summer.

Please check the Kid Street calendar for specific dates. Kid Street is offering childcare to all students and families who need it, but space is limited.

Our After School Program staff will run childcare from **8:00 am to 5:30 pm**. Please be timely when picking up your student, in case that you are running late then please reach out to our ASP Director. **Late pickup can result in immediate termination from the free program.**

Participation of this program is up to the discretion of Kid Street Charter School Staff, participation should be considered a privilege. Behavior deemed *unacceptable* will result in a phone call home and immediate pickup. A second warning will result in a Director, student and guardian meeting. If the behavior does not change, then your student will **no longer be able to attend** our childcare program. If your student is physical with other students or staff, then they will be immediately terminated from our free program.

All school/ASP guidelines and expectations still apply throughout Childcare sessions. Families who did not sign the ASP contract will not be accepted into the program.

If you are interested in having your student attend childcare, please fill out the following and return this form to our After School Program staff or Kid Street office no later than **Friday, September 18th.**

We will reach out to you if your student(s) has been accepted into our childcare program.
